The United Way of Cayuga County is that warm blanket that surrounds you and tells you that **“everything is going to be okay, we’re here to help and you are not alone.”**

- Michelle Barber
2018 Campaign Chair

GIFTING YOUR DOLLARS

LOCALLY MAKES ALL THE DIFFERENCE

Two-thirds of Cayuga County residents, some that you know and love as well as many neighbors you have yet to meet, utilize United Way funded programs and services. Your gift touches individuals and families through all of life's stages from beginning to end.

Beginning at birth, your donation provides free books for children via the Dolly Parton Imagination Library. Children in the local area can enroll in youth camping, art programs, and scouting opportunities to develop life and leadership skills. Throughout the county, funded afterschool and summer programs offer safe, educational opportunities for children to develop their individuality.

Your generosity provides a better quality of life. Donations support adult literacy and training to improve one's communication skills needed in the workforce. Through guidance offered at homeless shelters, safe and

affordable housing and sustainable employment is secured by individuals and families. Teens can get back on track toward graduation through the outreach of the Runaway Homeless Youth and Pre-Trial Diversion initiatives.

When you give to the United Way, you are gifting independence to our community. The elderly and disabled rely on SCAT Van services to attend medical appointments, meet friends for lunch, and go shopping. Individuals with vision or hearing loss turn to AURORA of CNY to learn adaptive life skills to stay in their own homes. Clinics offer a safe place to overcome addiction. Your gift allows the terminally ill to remain at home among family and friends during their final days.

Live Local, Give Local.
