With **40,400** Cayuga County residents turning to United Way funded programs for help... it takes all generations coming together through advocacy, volunteerism, and giving to make a positive impact in our community.

*We are chairing the 2019-20 Campaign as our "small way to contribute to those in need."*

*- Gino Alberici*

# FUNDING AREAS

## Education:

- Outpatient clinics for mental health and recovering addicts

## Income Stability:

- Homeless shelters for men, women, and children
- Case management to secure employment

## Safety Net:

- Services to the Armed Forces and veterans
- Emergency services, shelter, food, and clothing
- Crisis counseling for victims of domestic and sexual assault
- Transportation for elderly and disabled individuals
- Pre-trial first offenders, aid for runaway homeless youth

**We have all done lots of volunteering. I feel as long as I have good health I should keep helping others. I'm thrilled to have the opportunity to chair the United Way with Gino, our 6 adult children, their spouses, and our 17 grandchildren.**

**- Maxine Alberici**

More than half of Cayuga County residents rely on United Way funded programs. Generosity transcends generations from birth through the later years of life. As we continue to see a rise in the number of those who work but cannot make ends meet—your donation provides meals, counseling services, scholarships, and more.

Your gift is access to preschool, literacy, and kindergarten readiness programs. Scholarships allow children and teenagers to enroll in summer camps, arts and music programming, and scouting to build character. Day camp is available for children and adults with disabilities. Along with educational programming, afterschool programs provide healthy snacks and nightly meals for children.

**A better future starts with us—  
it thrives by sharing the importance of giving  
and volunteering with the next generation.**

Contributions to the United Way create hope. Case workers help families transition out of homelessness to safe homes and sustainable jobs. Emergency services such as shelter, food, and clothing are available after disaster strikes. Many are working toward a stable life in substance abuse recovery programs. Outpatient clinics provide mental health care at satellite sites in school districts.

Your donation secures independence. Those with vision or hearing loss can remain in their own homes via adaptive life skills counseling. Energy costs are covered for families facing financial hardships. Vans throughout Cayuga County transport elderly and disabled neighbors to appointments, lunches, and more.
