OUR HISTORY

The Auburn and Cayuga Community Chest originated in 1922 to solicit and disburse monies for charitable and community purposes.

It was succeeded by the United Fund of Cayuga County (1956), whose purpose was to continue the improvement and development of health, character, and well-being of the residents of this county.

In 1979, the name was officially changed to United Way to promote identification with the National United Way movement.

Annually, programs funded by the United Way serve 52% of Cayuga County residents.
