Harold and Mary Leonard's legacy extends beyond our digital records. For more than 20 years, they were Everett Society donors who valued the importance of generosity and community support. Just as Mary left a bequest to the United Way of Cayuga County upon her passing, Harold left one as well. Here is a portion of the letter their son, David wrote in 2019 that accompanied Mary's bequest that still holds true for Harold's continued generosity:

Raised during the Great Depression, Harold and Mary lived modest lives. Their frugality led to an 'overflowing cup' from which they poured out generously to their church, charities and other organizations they believed in ... All of the charities to which [they] designated bequests have missions to help underserved people better their lives, to bring about a more peaceful and just world, or to help the CNY communities that they called home.
